

## EXTENDED WARRANTY

**Effective January 1st, 2007**, AMB i.t. offers a limited Extended Warranty for Personal Transponders. With this Extended Warranty, a discount on the purchase of a new Personal Transponder instead of repair charges will be applied, after the initial full, three-year warranty period has ended.

The table below shows the Extended Warranty discount percentages.

Years	Warranty/Prices
1, 2 and 3	Regular warranty
4, 5 and 6	50% discount on new transponder *
7 and 8	20% discount on new transponder *

*\* Discount will be applied to the list transponder price of a comparable new Personal Transponder\* as of the repair date.*

### Personal Transponder Extended Warranty Program

If your Personal Transponder stops working, is less than 8 years old, does not show obvious physical damage, and is covered by our Extended Warranty, you may send it to our repair department. Depending on the purchase date of the transponder we will offer you one of the following 3 options:

- If your Personal Transponder is less than 3 years old, you will receive our full warranty coverage (based on the normal warranty conditions). In this case, you will receive either the repaired or new transponder\*\* at no cost.
- If your Personal Transponder is more than 3 but less than 6 years old, you will receive a 50% discount on the purchase of a new transponder \*\*.
- If your Personal Transponder is more than 6 but less than 8 years old, you will receive a 20% discount on the purchase of a new transponder \*\*.

### Notes:

- Extended Warranty is also applicable to following types of transponders purchased before 1-1-2007 : TranX160, TranX160DP, TranX260, TranX260DP, AMBmx and AMBrc-DP
- Until December 31<sup>st</sup> 2007, this Extended Warranty is offered to you free of charge with the purchase of all personal transponders!
- The moment you make use of the Extended Warranty and purchase a new transponder with the applicable discount, the extended warranty period on the returned transponder(s) terminates. At this time, you will have the option to purchase a new Extended Warranty on your new transponder.
- Non covered by the Extended warranty program are following personal transponders: the AMBrc rechargeable transponders, the Pro Chip transponders and the AMB Activ transponders. 2 years of warranty apply for the previously mentioned transponders.
- TranX Pro and TranX140 transponders are not personal transponders, therefore not covered by the Extended warranty.
- Any damage which results from operation other than specified in the User's Manual, whether intentionally or by mistake **is not** covered by AMB's normal warranty, nor by this limited Extended Warranty.

This Extended Warranty is offered by AMB as a courtesy to our customer and applies in certain limited instances. Please see AMB's Terms and Conditions of Sale for further information related to your purchase of AMB products and services.
