

TERMS AND CONDITIONS EXTENDED WARRANTY

Effective June 1st, 2008, MYLAPS offers a limited Extended Warranty Plan for certain Transponders. With this Extended Warranty, a discount on the purchase of a new Transponder instead of repair charges will be applied, after the initial full, three-year warranty period has ended. It is possible to purchase this Extended Warranty plan on top of the Regular Warranty

Warranty Plan

	Regular Warranty?	Extended Warranty possible?*
	automatically included	optional
MYLAPS Car Direct Power Transponder	Yes (3 years)	No
MYLAPS Car Rechargeable Power Transponder	Yes (3 years)	Yes
MYLAPS Bike Direct Power Transponder	Yes (3 years)	No
MYLAPS Bike Rechargeable Power Transponder	Yes (3 years)	Yes
MYLAPS Kart Direct Power Transponder	Yes (3 years)	No
MYLAPS Kart Rechargeable Power Transponder	Yes (3 years)	Yes

* Extended warranty is automatically applicable to the following Transponders that are purchased before June 2008: MYLAPS Kart Rechargeable Power Transponder, MYLAPS Kart Direct Power Transponder, MYLAPS Car Rechargeable Power Transponder, MYLAPS Bike Rechargeable Power Transponder, MYLAPS Car Direct Power Transponder, MYLAPS Bike Direct Power Transponder, MYLAPS MX Rechargeable Power Transponder and MYLAPS RC Direct Power Transponder

Extended Warranty plan

If your Transponder stop working, is less than 8 years old, does not show obvious physical damage, and is covered by our Extended Warranty, the following conditions will be applied:

Lifetime of transponder	Warranty plan	Conditions
1 year	Regular warranty	Regular warranty conditions
2 years	Regular warranty	Regular warranty conditions
3 years	Regular warranty	Regular warranty conditions
4 years	Extended warranty*	50% discount on new transponder
5 years	Extended warranty*	50% discount on new transponder
6 years	Extended warranty*	50% discount on new transponder
7 years	Extended warranty*	20% discount on new transponder
8 years	Extended warranty*	20% discount on new transponder

* Extended Warranty is optional and can be purchased until the end of the regular warranty period for MYLAPS Car Rechargeable Power Transponder, MYLAPS Bike Rechargeable Power Transponder, MYLAPS Kart Rechargeable Transponder and MYLAPS MX Rechargeable Transponder (see table 'Warranty Plan')

NOTES

1. Extended Warranty need to be purchased before the end of the regular warranty period. Extended Warranty purchased outside the regular warranty period will not be valid, there will be no refund.
2. The Extended Warranty Plan is offered by MYLAPS as a courtesy to our customer and applies in certain limited instances.
3. Any damage which results from operation other than specified in the User Manual, whether intentionally or by mistake, is not covered by MYLAPS' Regular Warranty, nor by Extended Warranty
