

Transponder Rental Agreement

2024 Season

Agreement

I am renting a CRA transponder for the season indicated above. I understand that I am responsible for the transponder and agree to return the same transponder in good working condition to Race Registration within 30 minutes of my last race of the event.

In the event I fail to return the rented transponder to the Central Roadracing Association’s Race Registration at the end of an event or the transponder is damaged beyond repair, I understand that my competition license will be suspended until I return the rented transponder or pay the replacement cost to the Central Roadracing Association.

This agreement will remain in effect for the entire season as noted above.
